That's Where I'm Bound

And I Know When I Get There The  
First Thing I'll See

# There's A Place I Have Seen

# Where The Rivers Of Honey Flow Each Day

Then Troubles Gonna Lose Me, Worry  
Leave Me Behind

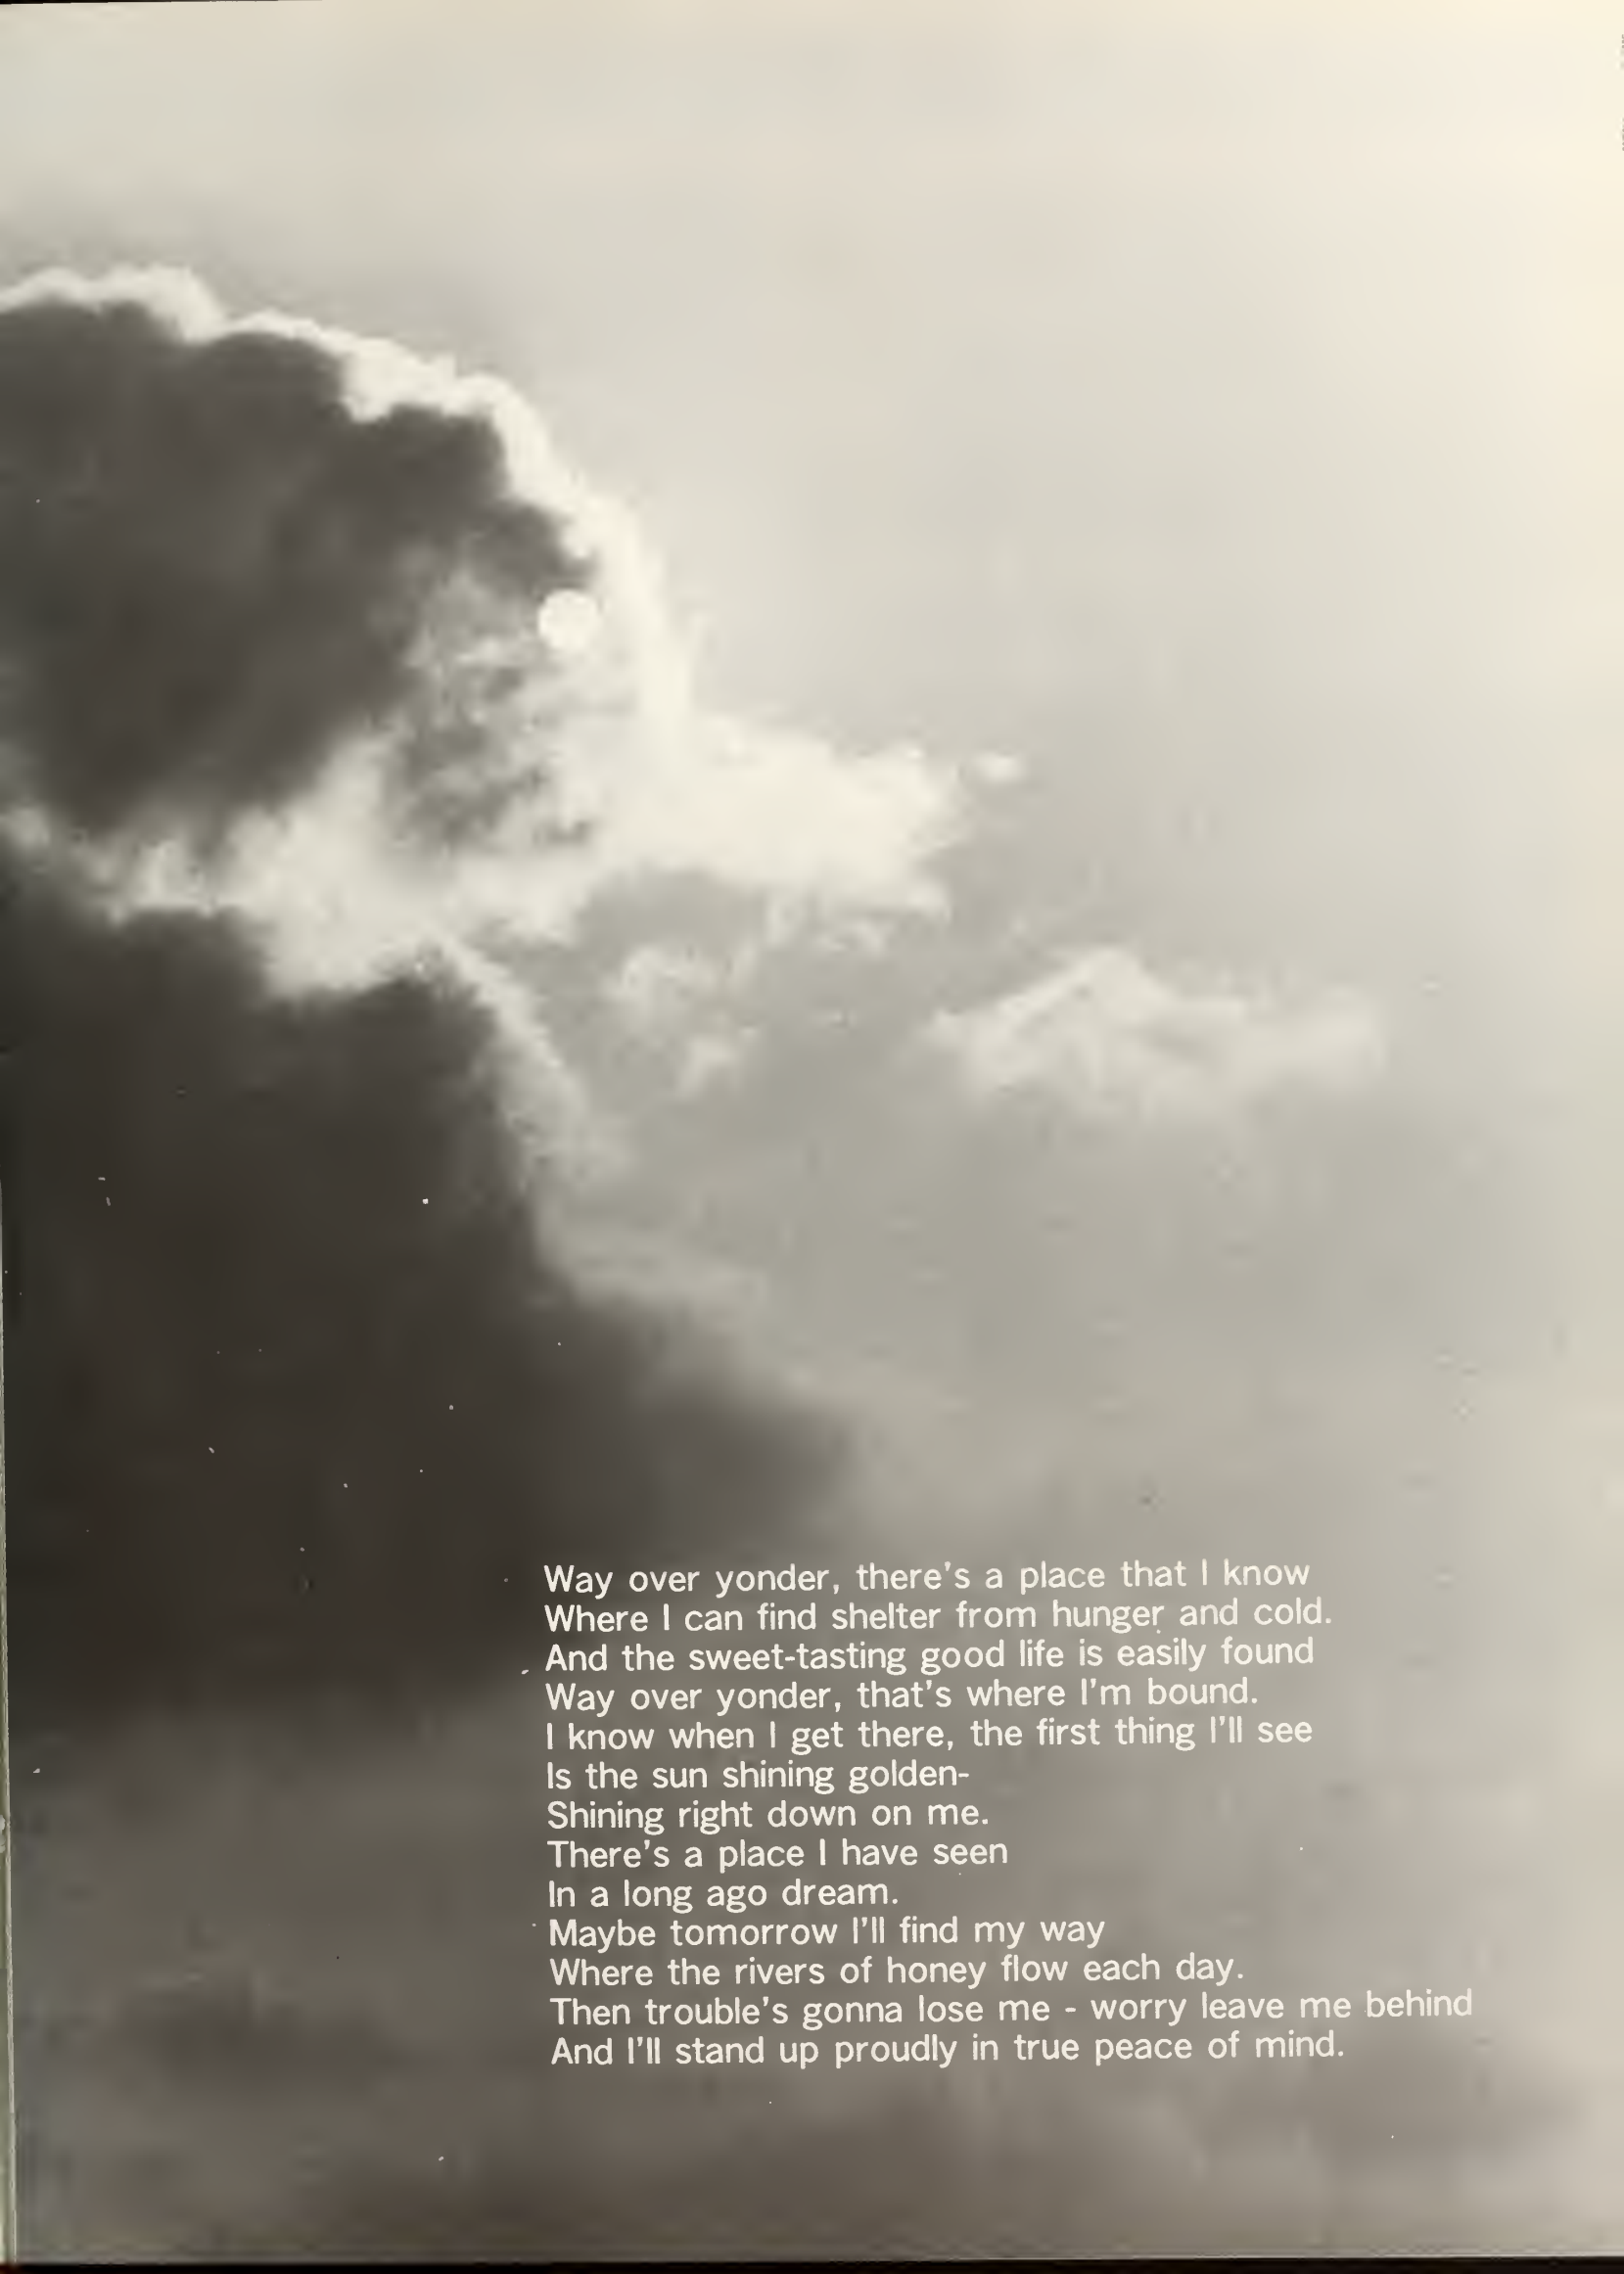

And I'll Stand Up Proudly In True Peace Of Mind.

Way over yonder, there's a place that I know  
Where I can find shelter from hunger and cold.  
And the sweet-tasting good life is easily found  
Way over yonder, that's where I'm bound.  
I know when I get there, the first thing I'll see  
Is the sun shining golden-  
Shining right down on me.  
There's a place I have seen  
In a long ago dream.  
Maybe tomorrow I'll find my way  
Where the rivers of honey flow each day.  
Then trouble's gonna lose me - worry leave me behind  
And I'll stand up proudly in true peace of mind.

It is with humility, respect, and sincere admiration, that the class of '79 dedicates its yearbook to Mr. Ralph Shindler.

During the fifteen years that he has been at East Longmeadow High School, our principal has been the quiet example of a good and just administrator. With deliberation and utmost good humor he has built a student-teacher-administrator relationship based on mutual respect and tolerance. Insisting on basic values, he has extended innovative responsibility to those under his jurisdiction. Whether in his office, the corridors, or cheering at some sports event, he has always been approachable, understanding and fair. There could be no better definition of the term than

# Our Girl Down Under

In January of 1978 Maureen Handler left the snow of East Longmeadow to find her pot of gold in sunny Australia. Like a typical tourist she did everything from riding kangaroos to skiing in August. She has traveled with her Australian family, The Papps, to see the exotic sights of the outback, where Koala Bears, Wallabies and tropical birds are an everyday spectacle. It wasn't just fun and games for her. She attended a girls private school where she found the work more demanding and the atmosphere less casual than in the United States. Her return to familiar scenes has made her appreciate East Longmeadow all the more.

# ELHS Honor Society Does It Again!

This year, the Honor Society, consisting of approximately fifty juniors and seniors, has again made a tremendous contribution to ELHS. 1978-1979 was the year of the pie-eating contest, the Book Fair, and the traditional Honor Society Christmas Tea (pictured above and at right) all of which were successful, fun, and profitable. The Honor Society is partly responsible for Spartanum and continues to support an Indian boy who will be graduating this year. Finally, Award's Night always includes a high proportion of "Miss Herschuks' Kids". Good luck, Honor Society!

# Fête De Roi

Les Dames Françaises

1st row: Eleanor Blance (Fresh. Rep.), Lisa Calabrese (Soph. Rep.), 2nd row: Debbie Jaworski (V. Pres.), Cathy Ward (Pres.), Sue Brown (Sec), Missing, Ann Marie Healy (Treas.).

Under the watchful eyes of advisors Mrs. Tibbetts and Mrs. Fleming, the French Club enjoyed another immensely productive year. Almost immediately, President Cathy Ward and her disciples began work on the French delicacies to be sold at the East Longmeadow versions of "sidewalk cafes". Project followed project and the Christmas Party was festive enough to warm the heart of Ebenezer himself. The pièce de résistance of the year, however, was the annual soirée. Due to the preparation and effort of the energetic committees, the guests were impressed by the elaborate decor as well as by the authentic gourmet food and sparkling entertainment. Congratulations for a superb tour de force.

# Check This Team Out, Mate!

Clockwise: Mr. Burns, Lisa Plante, Tom Bechard, Brian Day, Andy Katze, Tony Pouliot.

The Chess Club's 1978-1979 season was an extremely successful one, with a powerful first place finish. The team also did well in the Western Mass. Tournament which was held at the end of the season. Seniors Tony Pouliot, Tom Bechard, and Brian Day, experienced chess players, were largely responsible for the good season. Other members who also contributed were John Frangie, Chuck Dietsche, Andy Katze, and Lisa Plante.

## Math Team Sums It Up!

The Math Club, also under the direction of Mr. Burns, had a good year because of its many strong members. Seniors Brian Day, Jennifer Blance, Cathy Ward, Paul Donlin, Randy Burd, and Anne Marie Healey coordinated their math genius to bring the team up among the top schools in each of the local meets. Juniors Chuck Dietsche and Martha Fontaine, and Sophomores James Thomas and Eugene Fitzgerald completed the team. Highlights of the year included a trip to Russell Sage College where Jennifer Blance and Cathy Ward were among the top award-winning finishers, and a trip to Auburn to compete for places on the All-Star Western Mass. Math Team.

Front row: Martha Fontaine, Jennifer Blance, Cathy Ward. Back row: Brian Day, Chuck Dietsche, Mr. Burns.

# The Financers And The Producers

# Student Model Congress Club

Under the gallant Leadership of president Ann Marie Healy and Coach Debacher, the members of the Model Congress Club were led from Springfield's A.I.C. Congress to New York City's Oceanside Congress. The group went through mountains of papers, hours of speeches, countless votes and dozens of doughnuts, for one of their best and most comprehensive learning years.

L to R: Jennifer Blance, Ann Marie Healy, Kathy Donatelle. Standing: David O'dato, Chuck Dietsche, Mr. Debacher, Cathy Ward, and Kathy Hurlin.

## New Backgammon Club

This year Backgammon joined the roster of clubs here at E.L.H.S. Popular throughout the country, backgammon is an old game demanding concentration and strategic planning by the players — as well as a smile from Lady Luck — in order to win. The group initially got together to learn how to play the game, but it has since become regular practice to go to room 116 on Tuesday afternoons to chance your luck with the dice.

L to R: Elinor Stack, Lisa Plante, Pat Dimauro, Karen Monroe, Mark Wynn, Chris Miller, Jan Hildreth, Miss Perley, Tara Murphy. Sitting: Suzette Keddy, Richard Haley.

The Lab Aides are to the Science Department as the stage hands are to the play. They can usually be found scrubbing a small mountain of dirty beakers and test tubes in room 133, mixing up dangerous solutions in gargantuan flasks and fighting back the ferocious weeds in the greenhouse. Lab aides are known to be ever following truant fruit flies about the building, trying to return them to their vials. Without the Lab Aides, the science teachers would be virtually unable to function in their usual efficient scientific manner.

# SPARTAN SPECTATOR

**Back Row**(L-R): Kris Wright, Sue Brown, David Simonich, Pat Seeley, John Ward, Ann Marie Fitzgerald, Bill Paris, Jane Saacke. **Middle row** (L-R): Ann Monahan, Debbie Jaworski, Paul Donlin, Marc Robitaille, Gary Donlin, Tanya Penman, Denise Work, Kim Pash, Sue Rook, Lynn Buddington, Kelly Sullivan, Mr. Kerson (Advisor). **Front row** (L-R): Stacy Gardner, Jan Hildreth, Melissa Tompkins, David Odato, Caroline Fisk, Kathy Glista, Lynn Soverow, Lisa Paschetto.

The 1978-1979 **Spartan Spectator** underwent a great many changes which greatly improved the caliber of the school newspaper. The size of the paper was changed to the larger tabloid size. The paper is now published by a new printer, Imprint, Co. Also, last year, the paper was under the direction of an editor-in-chief. This year, however, there was an editorial board consisting of five juniors - David Odato, Debbie Jaworski, Lisa Paschetto, Tanya Penman, and Cari Fisk, and three - Melissa Tompkins, Jan Hildreth, and Sue Brown. These editors spent much of their free time gathering information and organizing the staff to produce an appealing paper for both the student body and the faculty.

Sports Editors - seniors Paul Donlin and Mike Malesta and juniors Pat Seely and Bill Paris, worked diligently on the sports pages while Sue Keddy handled the business end and advertisements of the **Spartan Spectator**. John Ward, the staff photographer, took pictures while Dave Tetrault used his artistic abilities to add creativity to the newspaper.

Mr. Kerson, staff advisor, put a great deal of time and effort into the **Spector** helping the staff put together a well-balanced paper.

# Talented Tune Carriers

Jim Bamos leads the trumpeteers.

The spirit of E.L.H.S.

The E.L.H.S. Band played a fine tune this year. Under the leadership of director John Turner and musicians Doug Hagstrom, Jim Bamos, Jeff Seymour, Steve Brainard, Ian Anderson, and Tom Caliento, the Spartan entourage thrilled many a football fan. They showed an amazing amount of improvement this year, playing many popular songs such as "Pink Panther", "Rolling Down the River", and "Big Spender".

# George Washington Slept Here

Hitting the bottle again

Gimme a break!

"Gee, Guys"

This year's Drama Club production, "George Washington Slept Here", was a critical success. Hampered by the thinness of the plot, the versatility of the lead actors — Jan Hildreth as Mrs. Fuller and Steve Starkie as her husband — showed sparks of inventive talent, while the Yankee twang of Richard Haley was impeccable. Congratulations are in order to Mr. Calabrese who can finally catch up on some badly-needed sleep.

Let me get my lipsmacker, baby.

# Guidance Aides

Giving up their free time for others is just one reason why so much credit should be given to these dedicated assistants who spend time delivering messages and doing odd jobs for our guidance counselors. By assisting students in the use of the computer and college catalogue, these aides have become an important part of the guidance department operations.

This year our favorite field hockey team consisted of several dozen energetic young ladies. The varsity team was led into every game psyched by co-captains, Sue Brown and Laurie LaClair. The team developed their stick-handling skills under the direction of veteran coach Sue Exley and also the volunteered guidance of E.L.H.S. alumna, Trish Hafey. At the end of their season, the team voted junior, Mary Carroll, Best Offensive Player and sophomore, Jennifer Fisk, Best Defensive Player. Senior Sue Brown was honored as M.V.P.

Although the team did not have a successful win-loss record, individual team member's times improved greatly. Under the coaching of Miss Kerr combined with the leadership of captains Sue Scanlon and M.V.P. Jill Wilder, the Spartans finished fifth in Western Mass. and ninth in the State Championships. Sophomore Sue Wadden turned out a new school record for the 100 yard breaststroke with a slashing time of 1:12.5. Even though the team is losing some valuable seniors, many promising J.V. swimmers are advancing to varsity and the team expects a victorious season next year.

# Critics With A Fine 8-2 Season

Zuke turns the corner.

Despite the loss of almost all of last year's starting team, the '78 E.L. gridmen had a very successful season under the watchful eye of Coach Dobias. The team finished with an 8-2 record, but it could easily have been 10-0 if a few breaks had gone their way.

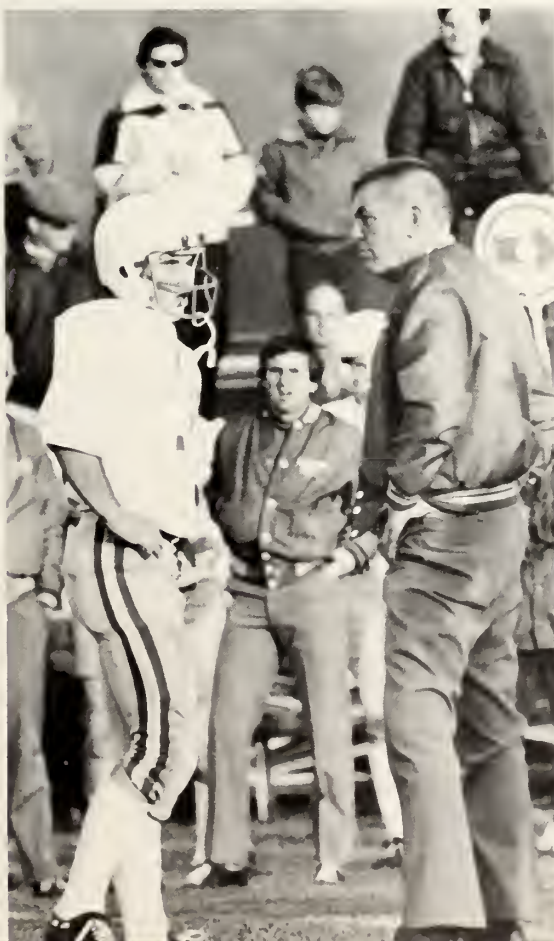

The first game was against Chicopee, a perennial AA power. After a hard fought first half, the Spartans led 13-7. The second half was all defense. The Spartan defense bent many times but never broke as the score remained the same and E.L. avenged last year's loss.

Six straight victories, including tough wins over Greenfield, Northampton, and South Hadley brought the Spartans to their toughest challenge yet — Classical at Plumb Field. However the squad never really got on track and were defeated 10-7.

The next game brought Minnechaug, a powerful team which had a seventeen game winning streak on the line. Three quarters passed and the scoreboard found E.L. behind 27-6, but the Spartans never quit and were only down 27-21 with about three minutes left in the game. A successful onside kick gave E.L. the ball on their own 45 yard line. Unfortunately, a few penalties stalled the drive and E.L. went down to defeat for the second straight week. The last game of the season was a well-merited win over the Longmeadow Lancers, with a score of 33-22.

## DISCIPLINE PROCEDURES

It is hoped that all students will cooperate with the reasonable rules and procedures of East Longmeadow High School. If it is necessary to deal with uncooperative students, the following means will be employed:

### POINT SYSTEM

Under the present point system, "violation points" will be assigned on the same basis as "hours of detention" were previously assigned. After a student has accumulated a pre-set number of points, suspension will result. However, this need not occur (except in the case of rule violations which bring automatic suspension as stated in the student handbook) because under the point system violation points accumulated by a student will be reduced by a pre-set amount for a certain time period without a rule violation. This encourages students to develop positive behavior to avoid being suspended. Another alternative to suspension would be choice of working off the points after school by staying for a teacher for extra help or providing positive school service, but these alternatives would be voluntary at the student's option.

### HOW IT WORKS:

1. Students will be assigned points. These points will be assigned on the same basis as hours were previously assigned -- one point instead of one hour.
2. Once a student reaches six points a letter is sent home. A phone call will be made when he reaches ten points. This letter would state his violations and give parents another copy of the point system procedure. Of course when maximum points are assigned at one time then a phone call will be made. When it is not possible to reach the parents by phone another letter may be sent.
3. When a student reaches thirteen points he may be suspended from school for three days. When he returns his slate is clean.
4. Ways to avoid suspension.
  - a. Good behavior.
  - b. For every week of no-points-added one point will be deducted at the student's request.
  - c. For every hour spent after school with a teacher for extra help, one point will be deducted if the student requests a slip and brings it to an Assistant Principal.
  - d. Once a student has reached ten (10) points he may apply to do "school service." For each hour of positive work for the school on a voluntary basis one point will be deducted.
5. The school reserves the right to return to the detention system at any time without notice.

### ASSIGNMENT OF POINTS

Points will be assigned by an Assistant Principal for:

1. Late to school.

## Helping To Meet The Cost

Working women.

The East Longmeadow Scholarship Foundation put in many long hours for the benefit of college-bound students. The door to golden opportunities is opened by the board, which helps the qualified, serious student to meet the extremely high costs of a good education. Much praise is due this sincerely dedicated group of parents and community volunteers. Yes, they really do care about your child's future!

In senior study halls and after school, you can walk into the cafeteria and watch the competitive sport at its basic level. Vicious matches of skill and frustration have been displayed in which paddles have been broken, tables chipped, and ping pong balls crushed. Why do people play such crazy games? Why not go down to the cafeteria during a study block and find out.

A familiar scene during studies and after school is a young human putting his body through a torturous series of exercises designed to channel his animalistic aggressions, for the purpose of enlarging muscular fibers. Driven by the yearning need to ripple with every movement, Spartans outweigh everyone.

Here are the prestigious few who are able to drive to school each morning. They do not know the horror of standing in the cold morning hours waiting for the frigid and crowded buses that seem to take forever to get to school. Besides being able to leave when they want, these motormen and maids enjoy certain other less obvious advantages. When heavy snows (or light ones for that matter) point out the necessity of a ski slope survey, or the spring temperatures call for a scenic Lake Mark field trip ---- these fearless folk are all gassed up and ready.

## Guaranteed challenge:

If you're a young person looking for some real challenge, now's the time to look into the Army. From law enforcement to medicine, from cooks to combat arms, the Army has more challenging opportunities to offer than anyone.

## Over \$400 a month to start

Army pay is better than ever. And with meals, lodging and medical and dental care provided, you'll be surprised how far that pay will go.

## Skill-training courses

Ever wonder where to get that "experience necessary" the classified ads always ask for? A good place is the Army. With hundreds of training courses, the Army can teach you skills you'll be glad to have later on.

## Educational opportunities

You can take classes on post, or at nearby colleges and universities, with the Army paying up to 75% of tuition for

approved courses taken on your own time (and under the Veterans' Educational Assistance Program, you can build an \$8,100 education fund in just 3 years).

## Travel opportunities

Joining the Army can mean a chance to work and live in Europe, Alaska, Hawaii, Korea, the Canal Zone, or almost anywhere in the continental U.S.

## Join now, go later

You can do just that — join now and, if you qualify, you can report up to 365 days later — with the Army's special Delayed Entry Program. A terrific option for high school seniors and others with unfinished business ahead of them.

## Serve yourself, Serve your Country

To find out which programs are open, and to have the best chance of getting the one you want, call us now.

# Prom Night '79

This year's prom, held at ther Oaks Inn, was a spectacular success. The theme "Tonight's the Night" fit the mood of the evening. Geri Hand and Gary Pomeroy reigned as King and Queen over these happy subjects.

# Senior's Final Feast

27,967,543 calories later everyone agreed the Senior Banquet at Bette's Olde Towne House was a sensational, smashing success. Chris Trincer, M.C. for the night, was witty, glittering and urbane as he introduced Aegis dedicatee, Mr. Shindler, while the prophecy committees efforts added to the ample menu .... A tasty way to end it all.

Cute as a bug's ear.

Mr. Shindler presides

The Will and Prophecy was presented beautifully by Cindy, Chip and Pam.

Only 1,200 calories each.

Who's I. M. Hipp?

"Say goodnight, Gracie."

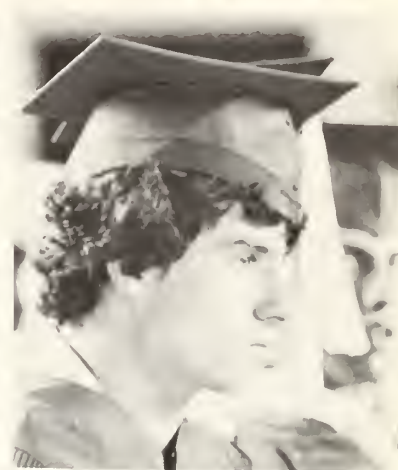

# Graduation

Mr. Shindler will be remembered.

(Above) Joe looks into the future.

June 10th was an excellent day to follow the rainbow. The graduation ceremonies commenced with speeches from seniors Diane Lindahl, Steph Skroback, Jodi Feinberg, and Jan Hildreth. After the seniors graciously received their diplomas, the graduating class presented a portrait of Mr. Shindler to the school to honor his years of service to the school and community.

Paul Tarsa asks the ball to come to him.

The combined efforts of our tennis teams for 1979 were encouraging and a credit to members and coaches. The boys team was plagued by inexperience and youth and had to rely on sophomores Scott Jones, Scott Myers, Mike Frey and Chuck Dietsche. The girls team obviously benefited from seasoned seniors Kathy Hurlin and Tracy Myers, backed by underclassmen Marj Stevens, Sue Busekist, Lori LeClair and Carol Tetreault. Dr. Upshaw and coach Modzelewski are heartened by the teams' grit and hope for a banner 1980 season.

Girls' Tennis: (l-r) Amy Harrington, Carol Tetreault, Kathleen Walsh, Linda Federici, Tracy Meyers, Angie Pizzanelli, Kathy Hurlin, Lori LeClair, Leslie Fredette, Kim Gardner, Sue Busekist, Coach Upshaw, Marj Stevens. Missing: Jennifer Rich.

# Our Men On The Links

Captain Joe DeAngelo tees into one.

Varsity: (l-r) James Bamos, Paul Donlin, Bob Doty, Ed Gardner, Mike Malesta, Joe DeAngelo, Coach Mazzariello

Our golfers have done it again. With the help of coaches Mazzariello and Marden, the E.L. golf team compiled an impressive 7-4-2 record. Captain Joe DeAngelo led the team to victory match after match. Contributing greatly to the effort were Seniors Ed Gardner and Paul Donlin and also Sophomore Bob Doty (Varsity MVP for the season).

The team later went on to the Western Mass Team Championship at Pittsfield C.C., where they captured 6th place. The team's final standing was 3rd place overall in the Valley Wheel.

Do it up, Davey!

Boy's track enjoyed one of their more outstanding seasons this year. Joe Wadden, Randy Burd, Greg Towle and Steve Lussier each smashed school records. Talented Tri-captain Greg Towle went on to win the high hurdles in the N. E. meet. Although the team is losing several valuable tracksters, many promising veterans are expected to insure a successful 1980 season.

## Academicians Honored At Awards Night

At awards night outstanding students finally received congratulations so truly due them from the faculty and their parents. Also commended were the honor society and the student council.

## La Soiree

La soiree again highlighted the French Club year. Students and faculty celebrated in the Mardi Gras tradition. Emcees Steve Starkie and Chris Donatelle, with singers, dancers, band members and the can can girls, entertained the troops. When the ruffles swished away and the last bon bon disappeared, an exhausted advisor, Mrs. Tibbetts, surely merited our applause - in French or in English.

# Spartanum

They go together!

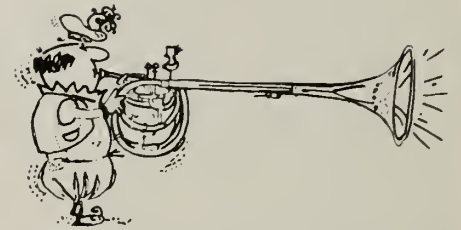

Oh, Emily!

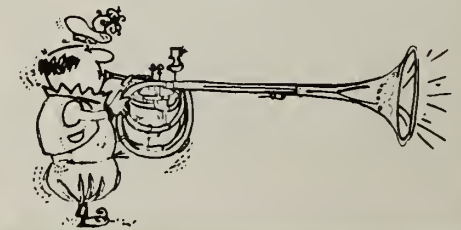

Martha's magic once again.

The happy jugglers.

Under the student direction of Kathy Donatelle and Randy Burd, Spartanum was truly spectacular. Bob Moras, Martha Frederick, Tom St. Marie and Sharon Smith made their final debuts. There was a great variety of acts including singers, dancers, jugglers, and "dummies". The hard work of Mrs. Alard and Mr. Turner augmented a well produced and presented show.

Just a couple of dummies.
